# Erosion Control Plan

**Before any soil is disturbed, I will properly install and maintain an erosion control barrier. This barrier will be adequate to prevent and soil erosion that may take place due to the construction project. The barrier shall remain in place until construction is complete and any disturbed area is re-vegetated and stabilized.**

**I have marked clearing limits on the site to keep equipment out of areas with in setbacks.**

**I will preserve buffers between the work area and any downstream surface water and wetlands.**

**By signing this form, I agree to follow all erosion control measures and Best Management Practices as defined by the Department of Environmental Protection.**
